

OSKAR SZKURLAT

EDUCATION

01/2020 **Master of Engineering** in the field mechatronics with major in use of mechatronics
07/2021 in electrical engineering, The Silesian University of Technology
– diploma with distinction

10/2016 **Engineer** in the field mechatronics with major in use of mechatronics
01/2020 in electrical engineering, The Silesian University of Technology

Mechatronics technician, ZSTiO Bytom

08/2015 E.19. Designing and programming mechatronic equipment and systems
03/2016

01/2014 E.18. Operating mechatronic equipment and systems
08/2015

01/2012 E.3. Installing mechatronic equipment and systems
11/2014

PROFESSIONAL EXPERIENCE

02/2021 **Full-stack Developer** at AIUT Sp. z o.o. - React, .NET, Blazor, Angular
Present (front-end focused)

08/2018 **Work in the position of Solving Research Problems**
08/2021 Using Siemens PLC Controllers (TIA Portal) at AIUT Sp. z o.o.

10/2020 **Individual Study Program in the form of Project-Based Learning**
02/2021 - Control of an AGV based on gesture recognition and voice analysis

02/2019 **Individual Study Program in the form of Project-Based Learning**
06/2019 - Construction of a measurement station utilizing an optical image correlation system and a hydraulic load control system

01/2014 **Professional internship as an electrical assistant**
02/2014 at the company Electrical and Construction Services TAGRA

ADDITIONAL QUALIFICATIONS

09/2021 Course **React.js - Complete Course** issued by TS Code

06/2026 Course **Next.js & Supabase Mastery: Full-Stack Apps** instructed by Piotr Jura

05/2025 Course **NestJS Microservices: Scalable Backend** instructed by Michael Guay

04/2025 Course **Master NestJS Ultimate Masterclass 2025** instructed by Piotr Jura

02/2025 Course **Deploying a NodeJS Apps on a VPS Server** instructed by Adrian Bienias

01/2025 Course **PostgreSQL - Database Design** instructed by Rafał Mobilo

02/2021 Course **Node.js - Complete Course** issued by TS Code

03/2025 Course **Blazor Deep Dive .NET 8** instructed by Frank Liu

05/2020 **Advanced Workshop Siemens SIMATIC S7-1500 Programming**
organized by EMT-Systems

RESEARCH PUBLICATIONS

- Using Gesture Recognition for AGV Control: Preliminary Research - MDPI, 2023

sensors-23-03109

- Construction of a measurement station utilizing an optical image correlation system and a hydraulic load control system - PM News, 2019

ISSN 2544-2740, e-ISSN 2544-3771

*I hereby give consent for my personal data included in the application to be processed for the purposes of the recruitment process in accordance with Regulation (EU) 2016/679 of the European Parliament and of the Council of 27 April 2016 (General Data Protection Regulation).
